The UNTERRO Difference

At **UNTERRO**, we combine intelligent design with premium craftsmanship to create beautiful, functional spaces that are built to last. From concept to completion, we make the process seamless, transparent and tailored to you.

All our products are manufactured to the highest Australian Standards. Our ethos is to utilise materials that are practical, durable, and that have a minimal carbon footprint.

Our kitchens are designed to be as unique as you are. With a wide selection of styles, finishes, and configurations, you can create a kitchen that perfectly complements your space and the way you live.

Whether you're after a modern minimalist look or a warm, classic design, we'll help you bring your vision to life. Visit our showroom, explore the possibilities, and let our team guide you every step of the way. We would love to welcome you and help you create a kitchen you'll love for years to come.

TAILORED DESIGN

Every project is designed around your home and lifestyle.

PRECISION CRAFTSMANSHIP

Premium materials with exceptional attention to detail.

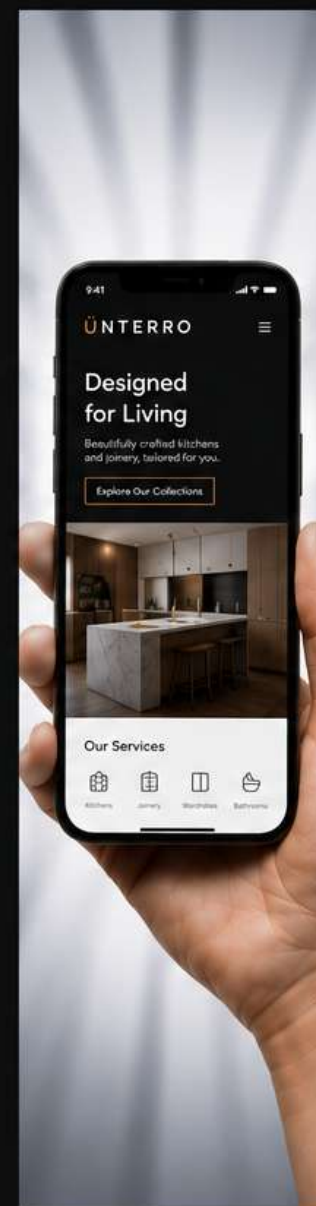

PROJECT MANAGEMENT

From concept to installation, managed by one experienced team.

BUILT TO LAST

Quality joinery and hardware backed by expert installation.

Our living spaces reflects our individuality.
The Design of those space is an expression of
who we are and how we envisage interacting
within. For this reason, UNTERRO give you
complete control of the design process,
ensuring your
expectations are
exceeded.

+ The UNTERRO Ecosystem

The UNTERRO Ecosystem is a suite of powerful tools and platforms that connect and empower you at every stage of your renovation and design journey, all designed to deliver real value.

+ DESIGN TOOL

CREATE, VISUALISE &
REFINE YOUR SPACE

+ AR App

VISUALISE IT. CHECK IT.
PERFECT IT. IN REAL SPACE.

+ Virtual Store

FIND. EXPLORE. ORDER.
ALL IN ONE PLACE.

+ Immersive Tech

DESIGN YOUR KITCHEN

Our interactive design tools give you complete freedom to create a kitchen that's uniquely yours. Personalise every detail with ease and see your vision come to life.

AUGMENTED REALITY APP

Visualise your new kitchen in your space before you build. Our AR app lets you explore different designs, materials and finishes in real-time, so you can make confident decisions with complete clarity.

Human Touch

Our technology enhances creativity, it doesn't replace it. You'll always have a real person to support you at every step.

VIRTUAL STORE

Take a tour of our complete collection from anywhere. Our virtual store brings our full range to life in immersive 3D, so you can explore products, materials and details with the same care and precision you'd expect in person, anytime, anywhere.
